Dear Sir:

Enclosed is a copy of an Information Disclosure Statement which was filed on August 25, 2005 in connection with the above identified patent application. In the certification under 37 C.F.R. § 1.97(e)(1) provided with that Information Disclosure Statement, Applicants inadvertently omitted the word days immediately following the word "30" in the paragraph which states that the submitted references were "first cited in a communication from a foreign Patent Office in a counterpart foreign application." The certification under 37 C.F.R. § 1.97(e)(1) should have stated as follows:

I hereby certify that each item of information contained in this Statement was first cited in a communication from a foreign Patent Office in a counterpart foreign application not more than 30 days prior to the filing of this Information Disclosure Statement.
